

How can you show your support of our school?

Friends of Christian Education (FOCE) help to raise funds to support our students, staff and school. Our fundraising involves no cost fundraising, event based fundraising and other traditional fundraisers.

No Cost Fundraising

Our school participates in the **Labels For Education** program. This program ends this year so turn your labels in now! For more info, please visit: <https://www.labelsforeducation.com/>

Our school participates in the **Box Tops 4 Education** program. How does it work? You purchase items that have box tops, collect them at home, and turn them into the school anytime. For more info, please visit: <http://www.boxtops4education.com/>

Hy-Vee Cash4Students program is another way to show your support. Save your receipts from any Omaha/Council Bluffs Hy-Vee stores from September 1 through December 31. Diner, coffee shop, pharmacy and gas receipts are also accepted. Hy-Vee will donate \$1 for every \$200 spent during this time period to our school. Turn your receipts into the school!

Example: A grandmother of one of our students plays bunco with a group each week. She asked everyone in the group to save Box Tops and Hy-Vee Receipts for her. She collects 200 box tops and 50 receipts in 8 weeks and turns them into the school office to generate a donation for GLS.

Our school is listed on **Together A Greater Good!** To start "TAGGing", simply download the TAGG app, make a purchase from a participating business and TAGG GLS. For more info, please visit: <http://www.togetheragreatergood.com/>

Example: A business owner recently hosted a training for his staff of 100. They ordered 40 pizzas from a participating TAGG business. GLS was "TAGGed" with the \$600 pizza purchase resulting in a donation to GLS.

Thrivent Action Teams is a way for Thrivent members to support GLS. \$250 is available to EACH Thrivent member EACH year and can serve as seed money for certain projects. For more info, please visit: <https://www.thrivent.com/making-a-difference/living-generously/thrivent-action-teams/>

Specials Events: FOCE also hosts an occasional special event to help support the school. The Back To School Color Run is one example. Watch Mr. Pederson's announcements for upcoming FOCE events!

Fall/Spring Fundraisers: A fall fundraiser typically occurs in October or November, while a spring fundraiser typically occurs in March or April. More info to be shared as each of these develop....

Principal Pederson

Thank you for your support!

Go Falcons!
