### ZEALOUS!

Galatians 4:17-20

Those people are zealous to win you over, but for no good. What they want is to alienate you from us, so that you may be zealous for them. It is fine to be zealous, provided the purpose is good, and to be so always and not just when I am with you. My dear children, for whom I am again in the pains of childbirth until Christ is formed in you, how I wish I could be with you now and change my tone, because I am perplexed about you!

Paul was in agony over the situation in Galatia. He compared it to the pains of childbirth. He was in agony for several reasons. First of all, he wished that he could be there with them, speaking face to face with them about their situation. While this letter was beneficial - both for them and for Paul - it is not as direct or as personal as eye to eye contact. Paul can't read their body language or their facial expressions. They can't hear the tone in his voice.

A second reason for Paul's agony was the zealousness of the Judaizers. They were merciless in their pursuit of winning these Christians over to their side. Their zealousness had been produced by selfish motives, however. They wanted to hold these Galatians up as a trophy. They wanted to be able to say, "Look who we won from Paul. Certainly, our teaching must be superior to his." Perhaps others would jump on their bandwagon. They also wanted to be able to show the orthodox Jews (who didn't see Christ as the Messiah) that they could still get Christians to submit to Old Testament regulations. They were trying to ride both sides of the fence - please the Christians on the one side and make the only way to God through Judaism on the other side.

A third reason for Paul's agony was the apparent willingness of the Galatians to switch sides so quickly and to abandon the Gospel of free grace.

Can we learn anything positive from the Judaizers? Yes, we can. They were zealous in their pursuit. While their motive wasn't pure and while their zealousness was in error, God can use the zeal of Christians in the work of his Church. We really have something to be zealous about. We have good news to share. We have a life changing - a life-saving - message to share. Paul said, "It is fine to be zealous, provided the purpose is good." The purpose of winning souls for Christ is always a good purpose. Let's do that with all the zeal that we, as God's children, can possibly muster.

*PRAYER: Lord, forgive me for complacency. Forgive me for sitting on the good news of Jesus. Rekindle in me the fire of your love that I may be more active in sharing that love with others. Amen.*

*Pastor Helwig*

# SCHOOL NEWS

Brothers and Sisters in Christ,

March is quite the month at Gethsemane Lutheran School. We come back from our break and dive right into our Science Fair. Projects are due the first week of March, and we will be holding a display fair on Friday, March 9, at 6:30 p.m. Everyone is invited to attend and see all of the projects.

Our third quarter ends with the end of the day on March 15. It seems hard to believe that we will be entering the last grading period so quickly again this year. The annual Nebraska Schools Science and Arts Fair will be held March 17 out at Nebraska Lutheran High School.

Lent is on-going in March, and GLS students will sing at the March 7 and March 14 midweek services, as well as the GLC/GLS group for Palm Sunday.

Maybe that's why the year goes by so quickly.

God bless you all,  
*Mr. Pederson*

We thank everyone who supported our last school functions - our tuition assistance breakfast, and our moms/dads/grandparents mornings for Lutheran Schools Week.

What a blessing to celebrate Christian education and our Lutheran School system with our sister schools across Nebraska! May God continue to bless all efforts of Christian education at this place and many others! Take some time and identify all the different ways, times, people, and places that Christian education happens through Gethsemane Lutheran Church and School. It is an amazing blessing to see such activity in this place!

## FOCE

### (FRIENDS OF CHRISTIAN EDUCATION)

FOCE has officially hit ALL of their goals set forth and voted on at the first meeting of the year! Pretty exciting! The swing mats are here and will be installed when nicer weather arrives.

Two pianos will be delivered next week and will be installed in the two classrooms which are not equipped with them - this means each classroom will now be equipped with their own piano and less shuffling and moving of classes and kids will have to happen! We greatly appreciate everyone who has helped raise funds and bring forth the ideas and needed items to the table....none of this could have been done without the support of our GLS families!

Many thanks out to the moms, dads and grandparents who joined us for our Spirit Week festivities. Thanks to everyone who helped make muffins, serve, clean up and all the other behind the scenes chores that must be done to ensure these events are a success....your help is greatly appreciated!

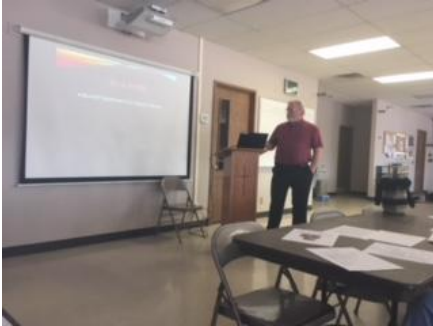

We have our spring fundraiser coming up following spring break. Look for emails and flyers to be headed your way. We are again selling butter braids. FOCE will be serving butter braids between services on Palm Sunday for everyone to sample and will have kiddos on stand-by to help you place an order!

If you have any questions, please talk to any of the FOCE gals!

### TERRY B PRESENTED INFORMATION ON CANCER RESEARCH

Terry B is a member of Gethsemane and a Clinical Research Nurse Coordinator with UNMC. Cancer is so prevalent that 455 people in every 100,000 will be diagnosed with cancer. In 2020, they predict that over 158 billion dollars will be spent on cancer or \$10,000 a year per individual. Terry is in charge of the clinical trials and outcomes. There are many new drugs that they are trying in light of new developments in how cancer was treated as to how it now is. Cancer used to be treated the same regardless of the type. Now they are treated according to the cancer as well as the genetics of the individuals. Immunotherapy

is the most recent breakthrough. These drugs stimulate your immune system to fight off the cancer. We all enjoyed the information Terry presented; even though a little scary, we know it is all in GOD's hands.

Future meetings: **March 11**, Presentation on Puerto Rico and a Soup Feed at Good Shepherd meeting at 2:00 and speaker at 3:00 followed by a Soup dinner.

**See you there!**

Things are exciting at OWLS lately!

We have been doing birthday parties for previous OWLS members who are now shut-ins. Thelma H was our first at the end of January. Barb S's party was in February and more will come!

We are scheduled to tour the Buffet Cancer Center and attend orientation to serve at the Open Door Mission once a month. There is also a Keep Omaha Beautiful project planned.

Now would be a GREAT time to join OWLS!

## (WOMEN IN GOD'S SERVICE)

Overall, we had a very successful Silent Auction last fall. Thank you! We will be using the funds raised to purchase blinds for the fellowship hall. We are in the process of researching these, but will be able to purchase them soon. Any leftover funds will be put towards security upgrades for the church, school, and parking lot.

For our March fellowship activity, we will be going to see the movie, "I Can Only Imagine" at Majestic Theaters (144<sup>th</sup> and Maple) on March 20<sup>th</sup>. "This movie is the inspiring and unknown true story behind MercyMe's beloved, chart topping song that brings ultimate hope to so many is a gripping reminder of the power of true forgiveness." Tickets are \$5 and will be purchased ahead of time so the seats are together. Please contact the church office if interested!

Mark your calendars for another March event, our Spring Bake Sale on March 24<sup>th</sup>/25<sup>th</sup>! We will be accepting any donations for this—homemade or store bought! You can bring bread, rolls, cookies, bars, or any of your other favorite snacks or treats. Please bring your items prepackaged and labeled or priced. Otherwise, we will be able to price them too. We welcome the support of this for those that just wish to purchase items off the bake sale too! Thanks!

Spring is around the corner (we hope!). With that, comes spring cleaning! We will be cleaning the church kitchen on April 5<sup>th</sup> at 6:30 p.m. We will have a checklist of cleaning that needs to be done. That way if you would like to help, but that time doesn't work for you, you can still help out. Many hands make light work and the kitchen always looks nice every year after this! Thanks!

Please contact the church office with any questions or comments!

# DEACONS

MUD completed its inspection of the newly installed furnaces and we are good to go!

The word as of late has been ICE. Between the snow and the thunder hail, the parking lot has been really slippery. The roof snow that melts has caused a lot of slick spots near the school entrance. The gutters and downspouts seem unable to contain the dripping water, and it spills over the gutters. We may need to do some investigating in the spring into why the runoff doesn't go through the underground downspouts. We continue to throw ice-melt on the sidewalk to de-ice; however, we ask that you still be really cautious.

The floors in the fellowship hall and hallways were buffed on the 16<sup>th</sup> of February. We hope to have this done a couple of times per year.

The biggest news is that we are scheduling a CLEANING PARTY!! We could use lots of hands to help us deep scrub the building before Easter. A checklist of tasks to be completed will be posted in the fellowship hall. We are getting together on **Saturday, March 17<sup>th</sup>** to see if we can't check off some of the items. Please come and help! Bring your favorite rags, buckets, and scrubbers.

If you see anything that needs to be repaired or attended to, please let the church office know so the issues can be addressed.

Thank you for helping to keep our property in great shape!

# LMSG

Dear Brothers and Sisters in Christ,

Many thanks to those of you who continue to assist the Lutheran Military Support Group (LMSG) with your time, talent and treasure.

LMSG is pleased to report that in 2017, the third year of our existence, WELS and ELS members contributed \$36,300 during our November Veterans Day “Ammo Can” campaign as compared to \$22,000 in 2016. THANK YOU to those who were willing and able to help.

Total donations in 2017 were more than \$60,000 and they were distributed to numerous causes (Grants Awarded). Our website, Facebook and administrative costs were covered by the remaining contributions. Board members are not paid.

During 2018 LMSG is emphasizing and focusing attention on the needs of WELS/ELS veterans and their loved ones. For example, one program is providing eight stipends to Armed Forces members who are students at our WELS/ELS pastoral seminaries in Mequon and Mankato. We expect to expand stipends to other colleges, too.

LMSG is evaluating “pilot” programs in Wisconsin and Colorado this year for veterans dealing with Post Traumatic Stress. If successful, they will be expanded.

Grants to ensure the continuation of Armed Forces Network weekly broadcasts of Lutheran programs are planned.

The LMSG website will be maintained and enlarged. Facebook and Linked-In features will be continued.

We know that our WELS and ELS programs have unanticipated needs when it comes to serving our military members and their families. LMSG evaluates and assists in meeting those needs as resources allow.

Please share your congregation’s successes with us, so we can pass them on to others. We continue to stand, shoulder to shoulder, donning the full armor of God and defending the faith.

Yours in Christ,  
*Erhard Opsahl*  
*President, Lutheran Military Support Group*
